How can I pay foodpanda online?

You can pay online while ordering at foodpanda Pakistan by using a credit or debit card or PayPal.

Can I order foodpanda for someone else?

Yes, foodpanda Pakistan allows you to place an order for someone else. During checkout, just update the name and delivery address of the person you're ordering for. Please keep in mind that if the delivery details are not correct and the order cannot be delivered, we won't be able to process a refund.

How much does foodpanda charge for delivery?

Delivery fee charged by foodpanda in Pakistan depends on many operational factors, most of all - location and a restaurant you are ordering from. You can always check the delivery fee while forming your order. Besides, you can filter the restaurants by clicking on "Free Delivery" icon on the top of your restaurants listing.

What restaurants let you order online?

There are hundreds of restaurants on foodpanda Pakistan that let you order online. For example, KFC, McDonald's, Pizza Hut, OOTP, Hardee's, Domino's, Kababjees and many-many more! In order to check all the restaurants near you that deliver, just type in your address and discover all the available places.

Does foodpanda have minimum order?

Yes, many restaurants have a minimum order. The minimum order value depends on the restaurant you order from and is indicated during your ordering process.

What is the difference between delivery and Pick-Up?

If you choose delivery, a foodpanda rider will collect your order from the restaurant and take it to your chosen delivery address. If you choose Pick-Up, you can takeaway your food directly from the restaurant for extra savings – and to jump to the front of the queue. Pick-Up orders are available for restaurants only.
